I hope everyone had a lovely break over the mid-term. Since September the Parents' Room has been a hive of activity and it is great to see so many parents participating in the various courses. The job of the HSCL Coordinator is to build links between the home, school and the community. If for any reason you need to talk to me, please feel free to do so by ringing me. As always, you are more than welcome to call into my office or I can call out to your home.

Home School Community Liaison Scheme

The HSCL scheme recognises parents as the primary educators of their children. We welcome the involvement of parents in all aspects of school life. The HSCL coordinator is there to support and empower you, the parent, and assist you in your role as parents and educators.

Our Parents' Room provides a warm and welcoming haven, where you can meet other parents for a coffee, and also learn new skills in dealing with parenting issues and education.

SNA Course

The Special Needs Assistant Course will be starting next Friday 18th of November at 9.30 in the Parents Room in the Boys School . Please contact Norma if you have any queries.
